- Excellent I-85 visibility
- Adjacent to Little Rock Road
- Zoned B-2/R-3

**ASKING PRICE:
\$59,900 per Acre**

AIRPORT ENTRANCE ROAD
Construction of the Airport's new entrance road from Wilkinson Boulevard is scheduled to begin in late summer 2011. The project, which is in the design stage, will widen Little Rock Road and include the construction of four new bridges. The new roadway system will also include dynamic signage that will provide customers with information about parking and special advisories as they approach the Airport. Completion is slated for spring 2013.
